SCHAEFER & SCHAEFER DRUG STORE -- This three-story Italianate building, dating from the latter decade of the nineteenth century, has a five-bay elevation on Jefferson Street, although its address places it on East Market Street. An imposing commercial block, it sports facade with a high pediment above the cornice as well as cast iron piers on the first floor. Ornate pedimented window hoods adorn the second and third floors as well as the second floor of the adjacent two-story structure.
